Fax 506-458-5534

94 Trider Crescent  
**Dartmouth, NS B3B 1R6**  
Phone 902-468-4500  
Fax 902-468-2228

## Training

Standard or customized courses on various drive and control technologies, at your site or at one of our facilities.

## Training Systems

Hydraulic, pneumatic, sensor and PLC technology and mechatronic training systems - all from the global leaders in drive and control.

## Training Aids

Textbooks, software, teacher and student manuals to provide a complete training package.

# Automation Training

### Available upon request:

#### **IndraDrive Level 1 (ID) – 1 Day**

Prerequisite: None  
\$500

#### **IndraLogic Level 1 (IL) – 1 Day**

Prerequisite: None  
\$500

#### **IndraMotion Level 1 (MLD) – 2 Days**

Prerequisite: ID and IL  
\$1,000

#### **IndraMotion Level 1 (MLC) – 2 Days**

Prerequisite: ID and IL  
\$1,000

### **Online Pneumatic Training**

Available 24/7, so you can learn around your schedule. Try it out for free at [www.boschrexroth.ca/ePOP](http://www.boschrexroth.ca/ePOP)

One source for all your drive and control training.

# 2012 Hydraulic Training

## The starting point is clear ...

A solid grasp of the fundamentals is paramount in understanding any technology. This is why we encourage all trainees to start with the basic principles. Now we have made it easier for you by offering three different ways to accomplish this:

## Principles of Hydraulics

### POH

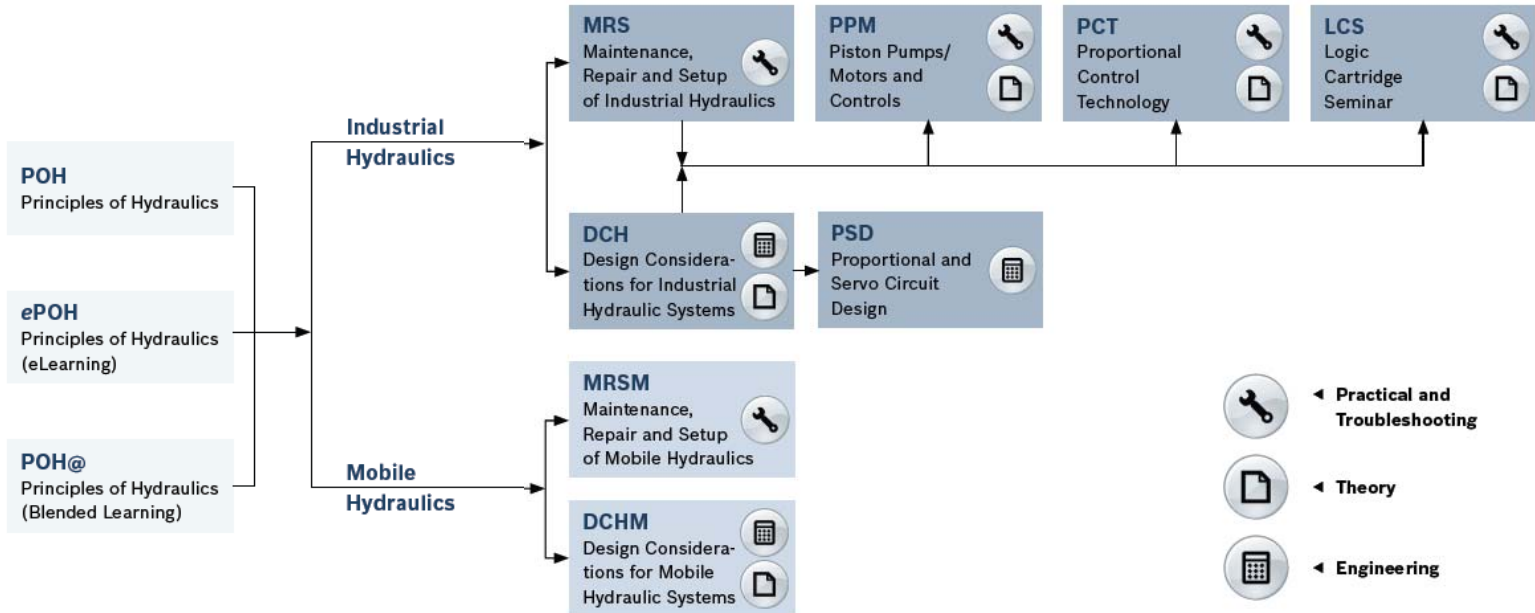

Our conventional principles of hydraulics training offering consisting of five days of instructor led classroom and hands-on training.

### ePOH

Online training that is available 24/7, covering the hydraulic theory so you can learn around your schedule. Try it out for free at [www.boschrexroth.ca/ePOH](http://www.boschrexroth.ca/ePOH)

### POH@

This blended learning course helps minimize the time away from your facility by combining the online learning followed by three days of instructor-led hands-on training.

# Course Progression

## You choose the path that suits your needs.

# Industrial Hydraulics

## **Principles of Hydraulics Instructor-led (POH) – 5 Days**

\$1,700

- ▶ January 16 – 20
- ▶ February 27 – March 2 (AB)
- ▶ March 26 – 30 (BC)
- ▶ September 24 – 28

## **Online Learning (ePOH)**

Individual license \$990

6 licenses \$2,857

License valid for 12 months

## **Blended Learning (POH@) – 3 Days**

\$1,100 + ePOH license fee

- ▶ April 10 – 12
- ▶ October 9 – 11 (AB)
- ▶ October 16 – 18 (BC)

## **Design Considerations for Industrial Hydraulic Systems (DCH) 5 Days**

\$1,800

- ▶ April 16 – 20

## **Maintenance, Repair and Setup of Industrial Hydraulics (MRS) – 5 Days**

\$1,700

- ▶ January 30 – February 3
- ▶ May 28 – June 1 (AB)
- ▶ October 22 – 26
- ▶ November 5 – 9 (BC)

## **Piston Pumps/Motors and Controls (PPM) – 5 Days**

\$1,800

- ▶ May 7 – 11

## **Proportional Control Technology (PCT) – 5 Days**

\$1,800

- ▶ June 4 – 8

## **Logic Cartridge Seminar (LCS) – 3 Days**

\$1,100

- ▶ February 7 – 9

## **Proportional and Servo Circuit Design (PSD) – 5 Days**

Contact us for course availability

# Mobile Hydraulics

## **Principles of Hydraulics Instructor-led (POH) – 5 Days**

\$1,700

- ▶ January 16 – 20
- ▶ February 27 – March 2 (AB)
- ▶ March 26 – 30 (BC)
- ▶ September 24 – 28

## **Online Learning (ePOH)**

Individual license \$990

6 licenses \$2,857

License valid for 12 months

## **Blended Learning (POH@) – 3 Days**

\$1,100 + ePOH license fee

- ▶ April 10 – 12
- ▶ October 9 – 11 (AB)
- ▶ October 16 – 18 (BC)

## **Please Note:**

Unless otherwise noted all courses are presented in Bosch Rexroth's Burlington, ON facility (AB) course held in Edmonton, Alberta, (BC) course held in Burnaby, British Columbia. Further course information and descriptions available on-line at [www.boschrexroth.ca/training](http://www.boschrexroth.ca/training). Tuition for scheduled courses includes seminar fee, all student materials, daily breakfast, lunch and refreshments. When required the students will be provided with laptop computers for use during the training seminar. For further information please contact [training@boschrexroth.ca](mailto:training@boschrexroth.ca)

## **Maintenance, Repair and Setup of Mobile Hydraulics (MRSM) – 5 Days**

\$1,700

- ▶ June 18 – 22 (AB)
- ▶ November 19 – 23

## **Design Considerations for Mobile Hydraulic Systems (DCHM) – 5 Days**

Contact us for course availability
