Bosch Rexroth – Locations worldwide
Fact Slide – Bosch Rexroth in Argentina

**Key Industries**
- Metallurgy
- Petroleum
- Automotive
- Civil Engineering
- Mining
- Food and Packaging
- Agricultural Machinery

**Production Location**
- Buenos Aires
  - Hydraulic power units, manifolds, cylinders

**Sales Locations**
- Carapachay (Buenos Aires)
- Córdoba
- Rosario
- Mendoza
- San Luis

**Service Center**
- Buenos Aires

**Field Service Point**
- Cordoba
- Rosario
- Mendoza

Since: 1980
Employees: 58

Head Office: Carapachay (Buenos Aires)
Fact Slide – Bosch Rexroth in Austria

Key Industries
- Plastic Machines
- Metallurgy
- Civil Engineering
- Construction Machinery
- Agricultural and Forestry Machinery
- Stage Technology

Production Locations
- Linz
  Hydraulic manifolds, electric cabinet fabrication
- Pasching
  Hydraulic power units and systems

Sales Locations
- Linz
- Pasching
- Wien

Service Center
- Pasching

Since: 1971
Employees: 341
Head Office: Pasching
Fact Slide – Bosch Rexroth in Australia

**Key Industries**
- Mining
- Manufacturing Technologies
- Agricultural Machinery

**Production Locations**
- **Sydney**
  - Power units
- **Brisbane**
  - Tubing

**Sales Locations**
- Sydney
- Newcastle
- Brisbane
- Melbourne

**Head Office:** Sydney

**Since:** 1987

**Employees:** 283
Fact Slide – Bosch Rexroth in Belgium

**Production Location**
- Brussels
  - Assembly of power units and manifolds

**Sales Location**
- Brussels
  - Responsible for Sales & Service in Luxembourg

**Service Center**
- Brussels
  - Competence Center: repair of pumps and motors

**Key Industries**
- Agricultural Machinery
- Civil Engineering
- Construction Machinery
- Metallurgy
- Processing and Packaging

**Since:**
1971

**Employees:** 71

**Head Office:**
Brussels
Fact Slide – Bosch Rexroth in Brazil

Key Industries
- Construction Machinery
- Agricultural Machinery
- Automotive
- Food and Packaging
- Mining
- Metallurgy
- Offshore
- Press

Production Location
- **Pomerode (SC)**
  Power units & manifolds, external gear machines, special series, control blocks, valve modules profiled rail systems, linear bushings systems (steel shafts), ball screws, variable pumps (working hydraulics), customized hydraulic integrated circuits, compact power modules

Sales Locations
- Diadema (SP)
- Campinas (SP)
- Curtiba (PR)
- Pomerode (SC)
- São Leopoldo (RS)
- Rio de Janeiro (RJ)
- Belo Horizonte (MG)
- Vitória (ES)
- Recife (PE)

Service Center
- **Itatiba (SP)**

Since: 1964
Employees: 552
Head Office: Itatiba (SP)
Fact Slide – Bosch Rexroth in Canada

**Production Locations**

- **Welland, Ontario**
  - Manufacture of hydraulic systems; build, design engineer to order, electric/electric control panels, hydraulic manifold assemblies, large scale integrated projects

- **Burlington, Ontario**
  - Assembly of electric drives & control panels, assembly of industrial weld panels/systems

**Sales Locations**

- Burlington (Ontario)
- Edmonton (Alberta)
- Vancouver (British Columbia)
- Saskatoon (Saskatchewan)
- Longueuil (Quebec)
- Saguenay (Quebec)
- Fredericton (New Brunswick)
- Dartmouth (Nova Scotia)

**Service Centers**

- Welland (ON)
- Burlington (ON)
- Burnaby (BC)
- Edmonton (AB)
- Saskatoon (SK)
- Longueuil (QC)

**Key Industries**

- Manufacturing Technology
- Agriculture and Forestry Products
- Processing and Packaging
- Oil, Gas, Mining
- Automotive
- Snow & Ice Technology

**Since:** 2001 (1961*)

**Employees:** 251

**Head Office:**
Welland, Ontario

Fact Slide – Bosch Rexroth in Italy

Key Industries
- Processing and Packaging
- Marine and Offshore
- Machine Tools and Presses
- Construction Machinery
- Agricultural Machinery
- Metallurgy
- Material Handling
- Agricultural & Forestry Machinery
- Testing Technology

Production Locations
- Gallarate (Varese)
  Engineering & production of robotic, technology solutions, assembling production lines & automation for tightening & resistance welding systems
- Nonantola (Modena)
  Load-holding motion control valves, mechanical cartridge valves, solenoid cartridge valves, hydraulic integrated circuits

Sales Locations
- Cernusco sul Naviglio
- Turin
- Padua
- Casaleccio di Reno (Bologna)
- Modena

Service Centers
- Cernusco sul Naviglio
- Nonantola
- Vezzano sul Crostolo

Since: 1971 (1954*)
Employees: 1,628
Head Office:
Cernusco sul Naviglio (Milan)
Nonantola (Modena)

Cernusco sul Naviglio
Assembly of power units, assembly and machining of linear components

Pavullo nel Frignano
Mechanical cartridge valves, insert type valves, turning parts

Vezzano sul Crostolo
Compact directional valves, flow diverters, CETOP valves, compact power modules, sleeve valves for line mounting, hybrid blocks

*predecessor company
Fact Slide – Bosch Rexroth in Japan

**Production Locations**

- **Tsuchiura**
  Axial piston units, power units and complete systems, compact hydraulics, customizing industrial hydraulic valves
- **Nasukarasuyama (Daito)**
  Hydraulics

**Key Industries**

- Construction Machinery
- Manufacturing Technologies
- Material Handling
- Marine and Offshore

**Sales Locations**

- Tokyo
- Tsuchiura
